

**18th World Congress
on Cancers of the Skin**
Buenos Aires, Argentina

18th World Congress on Cancers of the Skin

POSTPONEMENT ANNOUNCEMENT

The Organizing Committee of the 18th World Congress of Cancers of the Skin (WCCS) announces the postponement of the June 2020 meeting.

After careful consideration of potential future 18th WCCS dates, reservations have been confirmed at the Buenos Aires Convention Center from

Wednesday November 3rd through Saturday November 6th, 2021

We wish you to know that we plan to conform to our original objective: to promote excellence in dermato-oncology worldwide, with emphasis in Lat Am in this particular case. We have ample time to recover from the pandemia impact, and plan to organize a Scientific Program that may even improve on the original 2020 contents!

Special thanks to our distinguished 2020 Guest speakers, to the Session coordinators and individual speakers; to our congress Co-Organizers: the Skin Cancer Foundation (USA); Colegiolbero-Latinoamericano de Dermatología; FundacióndelCáncer de Piel and to our pharmaceutical partners, that delivered their support in times of severe economic hardship in Argentina. Thank you all!

We must rise to the occasion and succeed in November 3rd - 6th, 2021. We sincerely count with your support and expertise.

The WCCS 2021 Organizing Committee and the Congress Organizer will be reaching you shortly. Thank you for your help, your patience and understanding.

Please remember: **18th World Congress on Cancers of the Skin**

November 3rd – 6th, 2021 Buenos Aires, Argentina
